SUMMARY

- **Full-Stack Developer** with expertise in MERN Stack, Flask, and Django. Proficient in building scalable, user-centric applications.

- Hands-on experience in AI/ML projects, including healthcare optimization, cryptographic analysis, and real-time sign language translation.

- Proven success in hackathons and coding competitions, showcasing innovative problem-solving skills.

EDUCATION

Parul Institute of Technology   **09 2022 – 05 2026**
*BTech (CSE) - **8.71 CGPA** -*   *Vadodara, Gujarat*

COURSEWORK / SKILLS

Languages	**Tools**	**Other Skills**
Python, C, Java	Docker, Microsoft Azure, DevOps	Competitive Coding, System Design
Frameworks	**Databases**	
MERN Stack, Flask	MongoDB, SQL, Firebase	

PROJECTS

EduConnect Platform ⬈ | MERN STACK   **08/2024 – Present**

- Built a comprehensive educational platform enabling students and educators to connect seamlessly, with over 200 active users.
- Implemented secure user authentication with role-based access control, ensuring distinct functionality for students and educators.
- Enhanced the platform with a user-friendly interface and responsive design, optimizing usability across devices.
- Integrated advanced search features for course materials, improving user engagement and accessibility.
- Live site here

Job Seeker Platform ⬈ | MERN Stack   **06 2024**

- Enhanced a job seeker platform where administrators can post job opportunities, resulting in a 15% increase in successful job placements within the first quarter.
- Applied authentication for admin and job seekers, with application status tracking and email notifications, reducing application processing times by 30%.
- Live site here

HavenHub Real Estate Platform ⬈ | MERN STACK   **08/2024 – Present**

- Developed a robust real estate platform allowing seamless property listing and searching, achieving over 150 active users within the first month.
- Implemented advanced search and filtering features, improving user experience for property seekers.
- Integrated secure user authentication and account management, enabling role-based access for buyers, sellers, and admins.
- Designed a responsive and modern interface using React, ensuring accessibility across all devices.
- Optimized backend with Node.js and MongoDB for faster data retrieval and secure property management workflows.
- Live site here

Mail Sending App ⬈ | Flask, Email Automation   **08 2024**

- Developed a Flask-based application for sending automated emails with customizable templates, ensuring seamless communication.
- Integrated features such as bulk email support, error handling, and scheduling, improving user productivity by 40%.
- Live site here

EXPERIENCE

SAP Trainee
Oct 2024 – April 2025
SAP Trainee(Intern) *Remote*
- Enrolled in the SAP Educate to Employ Scholarship Program, focusing on acquiring technical SAP skills and professional competencies. Training includes ERP systems, collaboration tools (Microsoft Teams), emotional intelligence, and ICT for sustainable development.

Full Stack Intern - Prodigy InfoTech
Jul 2024 – Aug 2024
Full Stack Intern *Remote, India*
- Contributed to web development projects using HTML, CSS, and JavaScript, supporting both frontend and backend components of full-stack applications.

Trainee - Intel Unnati Industrial Training Program
May 2024 – Jul 2024
Trainee *Remote, India*
- Completed a 3-month apprenticeship program with focused training in Python, Data Analysis, and Machine Learning techniques.

Project Intern - Bharat Intern
Dec 2023 – Feb 2024
Project Intern *Remote, India*
- Developed full-stack web applications, collaborating on both frontend and backend technologies to build scalable and efficient solutions.

EXTRACURRICULAR

Hackathons and Coding Competitions
Ongoing
Participant *Various Locations / Online*
- Actively participated in numerous hackathons, demonstrating innovative problem-solving skills and teamwork under time constraints.
- Competed in various coding competitions, showcasing proficiency in algorithms, data structures, and competitive programming.
- Received participation certificates for events and earned recognition for outstanding performance.

CERTIFICATIONS

- AWS Certified Cloud Practitioner - AWS SQL - LearnTube.ai
- Microsoft Certified: Azure Fundamentals - Microsoft
- Develop Generative AI Solutions - Microsoft
- Intel Unnati Industrial Training - Intel
- Android App Development - Internshala Development - Udemy
- Introduction to Cybersecurity - Cisco
- Full Stack Web
